

CHANGE IN FILE STATUS
APPROVAL FORM

DATE October 28, 1986

CURRENT FILE NO. PRO/003/006

RECOMMENDED FILE NO. INA/003/006

COMPANY AND MINE NAME Andrew Speth, Tungsten Mine

REASON FOR CHANGE IN FILE STATUS

Andrew Speth filed a DOE on state lease No. 34601 in Section 16, T9N, R16W on August 25, 1978. He proposed putting in a small open pit and underground sheelite (Tungsten) operation. The Division felt that the operation would disturb more than two acres and informed Mr. Speth that he would have to file a MR-1.

A follow-up call to Mr. Speth on September 25, 1986, revealed that the mine was never started. A October 23, 1986 field visit and a check with John Blake of state lands confirmed that the mine was not started.
